

Calpe Saturday Morning Healthy Lifestyle

WINTER TRIPS 2024/5

After a very stormy Friday, fingers were crossed for a sunny Saturday and we were not to be disappointed, in fact we were even encouraged to peel off a layer or two for our final round of matches. With six teams entered representing the local bowling clubs, and two Saturdays already completed, there were clear contenders at the top of the table, with 'Spezza's Mob' leading '6 Amigos' by 3 points and the rest of the field left with some catching up to do.

As expected, the top of the list did not change its order and it was congratulations to Greg and his team taking the top prize and the Trips Trophy proudly awarded by Astrid from Hospital Clinica Benidorm. Second place to the 6 Amigos just one point behind the winners with prizes presented by Camillo from Espai Vital (Physiotherapy).

Our sincere thanks go to all our Sponsors of this competition, HCB, Espai Vital and Jennifer Cunningham Insurance for their long standing support of our bowling competitions and of course to our competitors.
